River 420

River Boats, simple boating, safe and affordable!

Our boats are manufactured from environmentally friendly polyethylene, which is extremely impact resistant and durable, as well as requiring minimal maintenance.

River Boats are 100% recyclable and sustainable. The trademark hulls are best described as a hybrid between catamaran and V-hull, providing high levels of stability and handling.

Recognitions

We are proud of the Norwegian boatbuilding tradition. DNV-GL approved as an addition to the mandatory CE marking.
